Read and Draw

OKAY! Now get your pencil and read the description. Try to draw Huckelberry's father according to the features described below. Then compare your drawing with your classmates and show it to your teacher.

Mark Twain, *The Adventures of Huckleberry Finn*

"He was most fifty, and he looked it. His hair was long and tangled* and greasy*, and hung down, and you could see his eyes shining through like he was behind vines*. It was all black, no gray; so was his long, mixed-up whiskers*. There warn't no color in his face, where his face showed; it was white; not like another man's white, but a white to make a body sick, a white to make a body's flesh crawl – a tree-toad white, a fish-belly white. As for his clothes – just rags*, that was all. He had one ankle resting on t'other knee; the boot on that foot was busted*, and two of his toes stuck through, and he worked them now and then. His hat was laying on the floor – an old black slouch* with the top caved in*, like a lid."

*tangled – zaplątany *greasy- tłusty *vines – winorośle *whiskers- wąsiki *rags – szmaty

*busted- rozwalony *slouch hat – kapelusz z szerokim rondem caved in – zapadnięty
