

HUMAN

Let's start

HUMAN

When someone texts me fake gossip and I believe it immediately.

You are incredibly

GULLIBLE

I got accepted to my dream university!

You must be
DELIGHTED

Everything is going wrong today. Nothing makes me happy.

You seem really

MISERABLE

I never change my opinion, even if everyone disagrees with me.

You are really

STUBBORN

I forget my homework, lose my phone and sometimes leave my backpack at school.

You are very

ABSENT-MINDED

I always share my notes before a test.

You so

GENEROUS

One minute I'm happy, the next I'm annoyed for no reason.

You are quite

MOODY

I quickly form negative opinions about people without really knowing them.

You can be quite

JUDGEMENTAL

I'm always ready to listen to different opinions, even if I don't agree with them.

You are really

OPEN-MINDED

You can tell me your secret. I would never share it with anyone.
