Go Straight to the point.

E8 practice task

START

Refer to each point
and expand it ! :)

- Describe a problem your group had on the way back from a school trip and explain how it was solved.

NEXT

Describe a problem your group had on the way back from a school trip and explain how it was solved.

example

"On the way back from our school trip, our bus broke down and we had to stop on the road. At first, everyone was surprised and a bit stressed. Our teacher called the bus company and another bus arrived after some time. In the end, we got home safely, although later than planned."

NEXT

- Express your opinion about the place where your campsite was located and describe it.

NEXT

Express your opinion about the place where your
campsite was located and describe it.

example

"In my opinion, the campsite was located in a very nice and quiet area. The place was clean and quiet, which helped us relax. I liked the fresh air and the beautiful views, but the shops were far away. Overall, it was a great place to spend time with friends."

NEXT

- Inform your friend about your plans for the coming weekend and say what you are looking forward to most.

NEXT

Inform your friend about your plans for the coming weekend and say what you are looking forward to most.

example

"On Saturday, I'm going to meet my friends and watch a movie together. On Sunday, I'm planning to relax at home and finish my homework. I'm looking forward to spending time with my friends the most."

NEXT

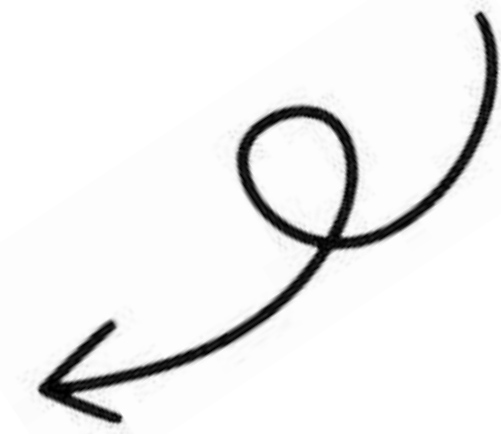

- Write about a situation when your phone battery died.

NEXT

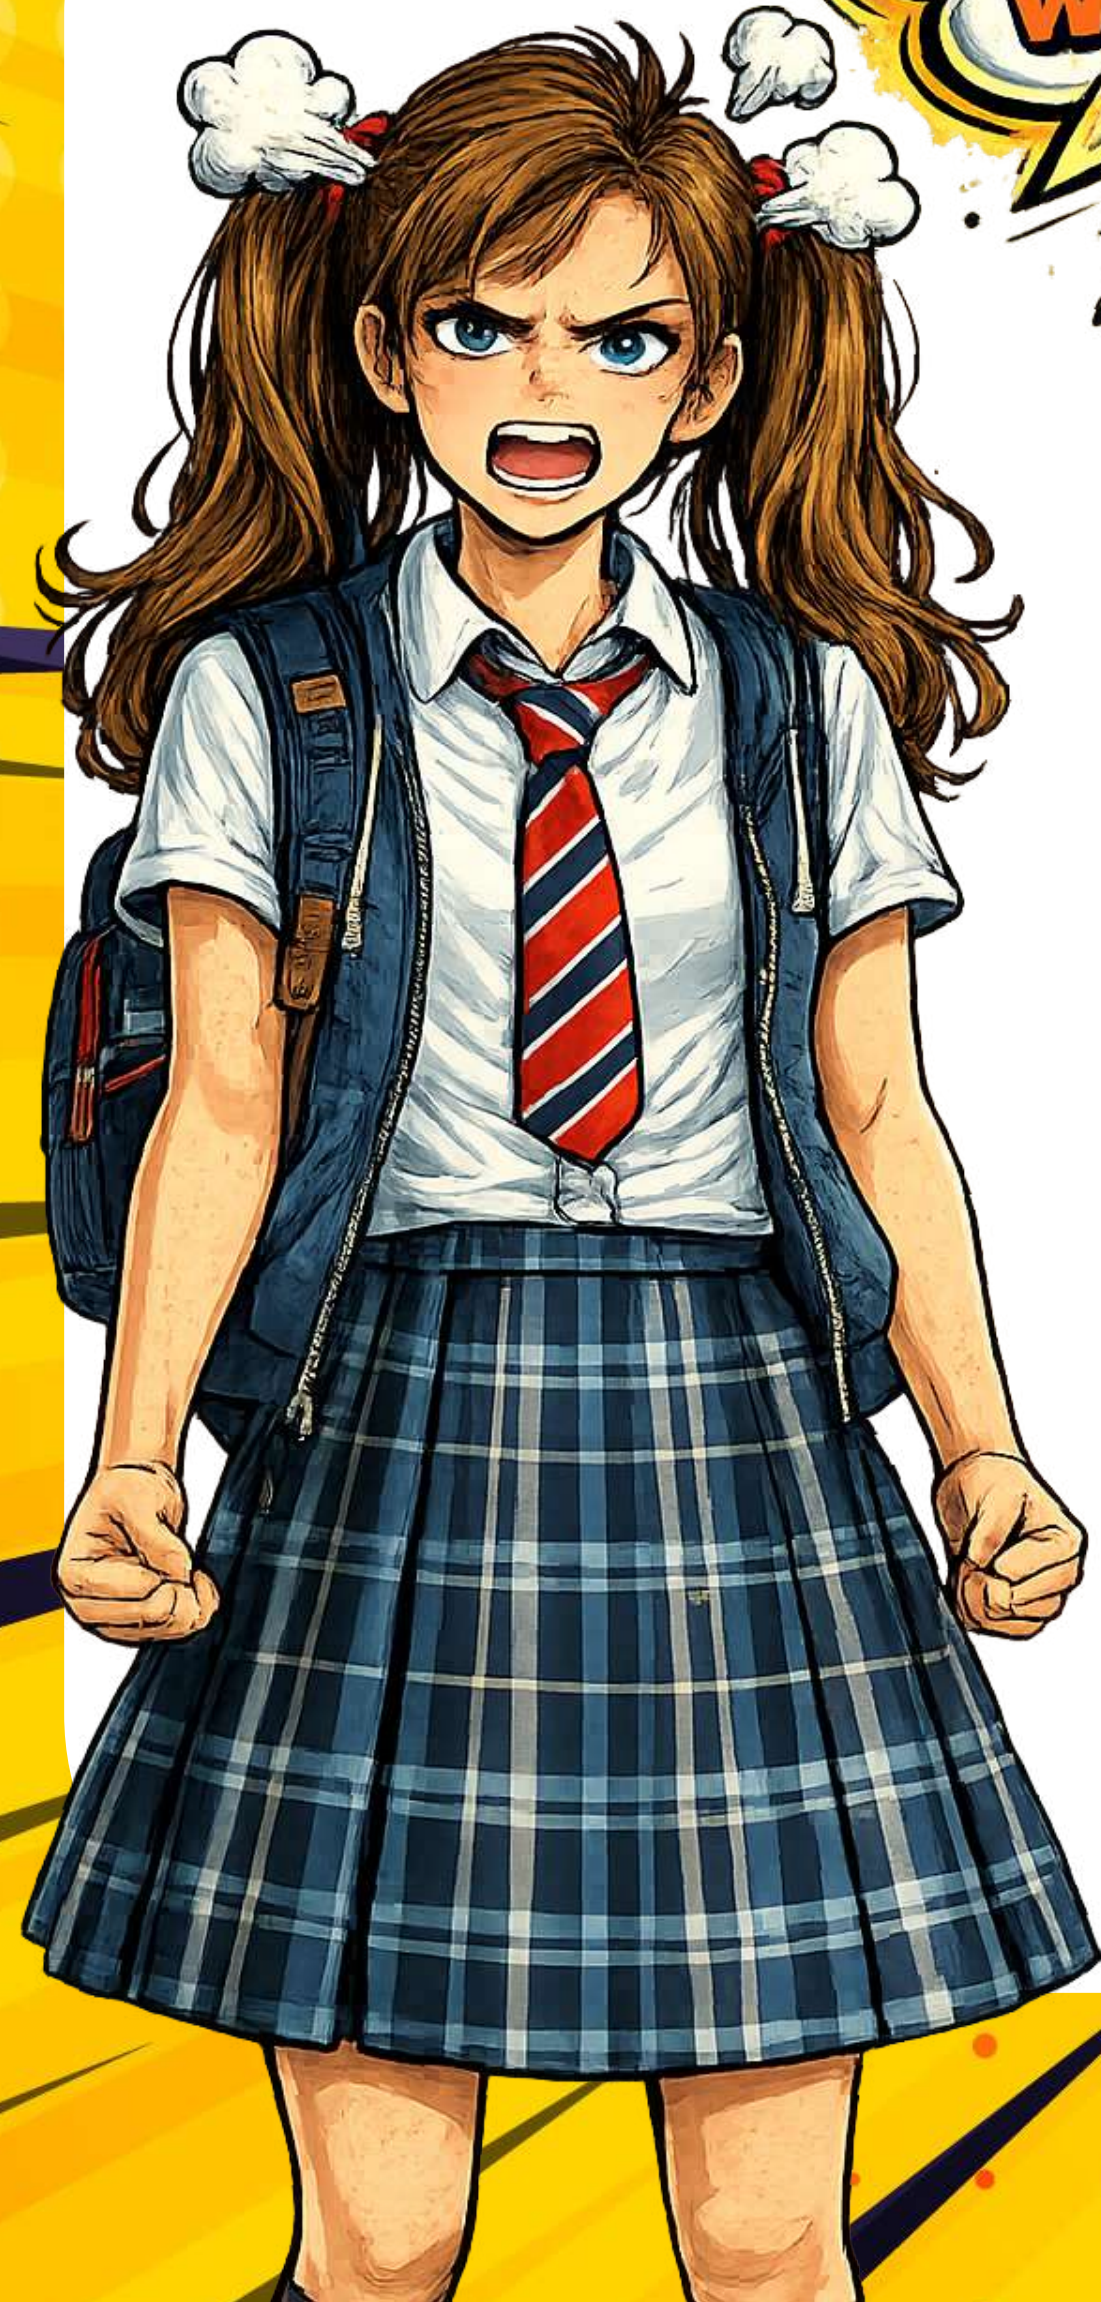

Write about a situation when your phone battery died.

example

"One day my phone battery died while I was on my way home from school. I couldn't call my parents or check the bus timetable, so I felt stressed. I asked a stranger for help and used their phone to make a call."

NEXT

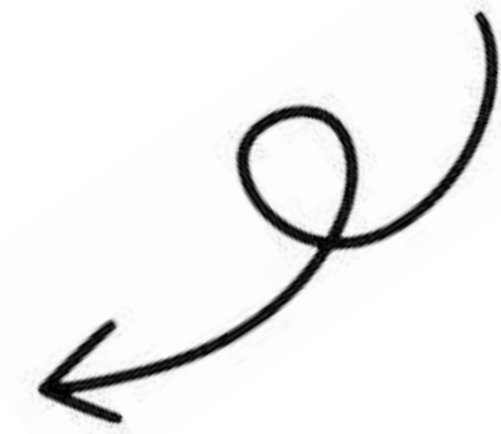

- Describe a disagreement you had with a friend and explain how you solved it.

NEXT

Write about a situation when your phone battery died.

example

"I had a disagreement with my friend about a group project yesterday at school. We were both angry because we had different ideas and didn't want to listen to each other. After some time, we talked calmly and decided to combine our ideas. In the end, we solved the problem and our friendship became stronger."

NEXT

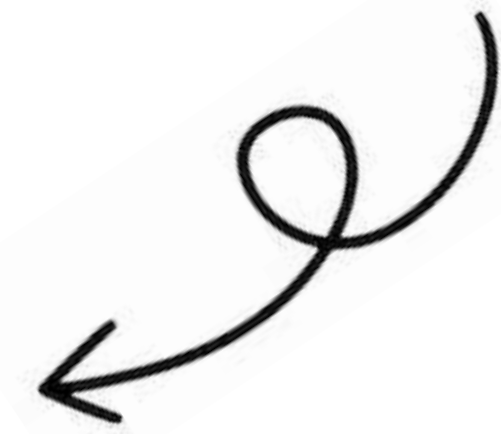

- Explain how knowing Spanish can be useful for you in the future.

NEXT

Explain how knowing Spanish can be useful for you in the future.

example

"Knowing Spanish can be very useful for me in the future. I would like to travel to Spanish-speaking countries and communicate with local people. It can also help me get a better job and understand different cultures."

NEXT

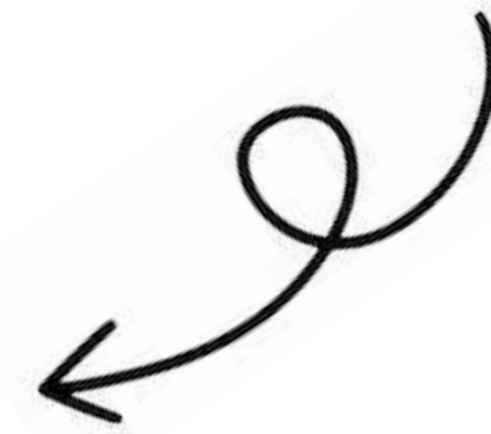

- Describe the weather during the trip and how it changed your plans.

NEXT

Describe the weather during the trip and how it changed your plans.

example

"During the trip, the weather was rainy and cold, which surprised us. Because of the rain, we couldn't go hiking as we had planned. Instead, we stayed indoors and played games together. Although our plans changed, we still had a good time."

NEXT

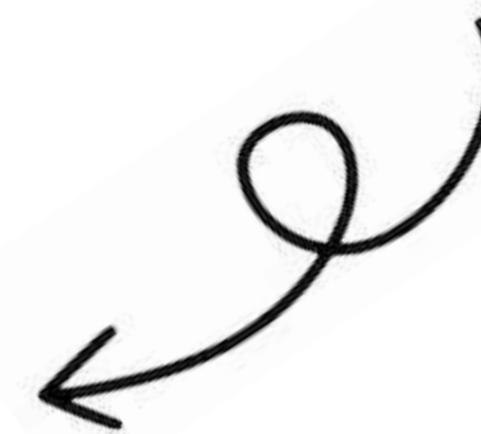

- Describe a problem connected with using your phone or the internet.

NEXT

Describe a problem connected with using your phone or the internet.

example

"One problem connected with using the internet was that my social media account was hacked. At first, I was scared because I couldn't log in and strange messages were sent from my account. I changed my password and asked for help from the support team. In the end, I got my account back and learned to be more careful online."

NEXT

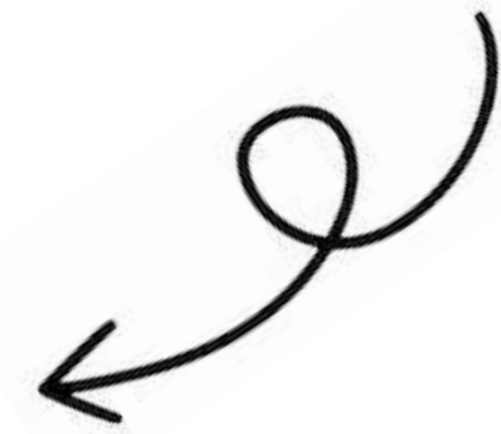

- Describe a present you got from your classmates and explain how you reacted to it.

NEXT

Describe a present you got from your classmates and explain how you reacted to it.

example

"I got a present from my classmates on my birthday at school. They gave me a funny mug and a card with kind messages. I was really surprised and happy when I opened it. The present was special because it showed that they cared about me.."

NEXT

Thank You!
