

INITIAL QUESTIONS

- Do you think your exam results will determine your future success? Why/Why not?
- How important is learning foreign languages for future employment?
- In your opinion, is taking a gap year a good investment in your future?
- Would you prefer to work in Poland or abroad?
- What does "career success" mean to you personally?

TASK 2

Describe the picture and answer the examiner's questions.

- What challenges can young delivery workers face in this type of job?
- Would you consider doing this kind of work while studying? Why or why not?
- Tell me about a time when you had to step out of your comfort zone.

TASK 1

You want to apply for a part-time job as a waiter / waitress in a restaurant. You are talking to the manager. In the conversation you must discuss the following points:

your previous experience

your strengths and skills

salary expectations

TASK 3

Look at Photo 1, Photo 2 and Photo 3.

- You are finishing school and considering starting your own business. Choose the best option and:
 - explain why you chose it
 - explain why you rejected the other two options

- Do you think social media makes it easier to start a business today? Why / why not?
- Would you prefer to start a business alone or with a partner? Why?
- It is said that not everyone is cut out to run their own business. Do you agree? Why / why not?
- Some people believe that school does not prepare students for running a business. What is your opinion?
